2024 Emeritus Membership

Taconic Golf Club is proud to offer *two* categories of Emeritus Membership to all members who meet the following criteria. We are especially excited to announce these categories will not have a quota cap! See below for eligibility criteria and application process details:

Emeritus Program: Available to current members whose age is 75+ on January 1 and years of continuous membership equal 110.

- If one individual of a couple membership qualifies, then both qualify.
- Dues are frozen at the amount in the year Emeritus membership is granted.
- No playing restrictions.
- Access to all tournaments - no restrictions.

Super Emeritus Program - 2017 Forward: Available to current members whose combined age and years of continuous membership equal 120, *or* individuals 80 years of age or older.

- If one individual of a couple membership qualifies, then both qualify.
- Dues are reduced by 20% and frozen in the year Super Emeritus membership is granted.
- If the member is currently an emeritus member, the dues will be the current active regular member dues at the time of choosing Super Emeritus membership, *less* 20%, *or* the amount of their current frozen emeritus dues amount, less an additional 5%, whichever amount is lower.
- The dues will not increase.
- Super Emeritus members may only play Monday through Friday. They may play weekends and holidays, but must pay the member guest rate in effect at that time as a greens fee.
- Super Emeritus members will have access to all member tournaments, including weekend and holiday events.

For those individuals previously granted emeritus membership, the existing program had reached its allotted cap and was more restrictive. The Board of Directors decided to close that category. Those granted emeritus membership in that category may remain, but it will no longer be offered.
